

2019 Fill the Box Campaign

The Mighty Meredith Project kicks off their 3rd Annual "Fill the Box" campaign, a *Mighty Giving* signature event, in November 2019 to benefit hospital Child Life organizations where Meredith has received (and continues to receive) medical care to include The Floating Hospital for Children at Tufts Medical Center and Boston Children's Hospital.

Child Life are the organizations within the hospital who are instrumental in making a child's hospital care the best it possibly can be during an otherwise stressful time for both the patient and caregiver through the use of toys and gadgets that help distract the patient prior to, during and after procedures; during inpatient stays; and as a way to just "make it all better", when it may not be "all better". They also provide services that benefit the entire family. Meredith and her family have benefited personally from the donations of strangers who make the Child Life organizations what they are, which is why this event is so important to her personally. As part of the Mighty Meredith Project and our "Mighty Giving" mission, "Fill the Box" is one our BIGGEST annual giving initiatives.

In addition, the Mighty Meredith Project works closely with the Neurology department at The Floating Hospital for Children at Tufts Medical Center to provide gifts to be distributed on Christmas Day for those kids who are hospitalized and cannot be home to celebrate around their own tree. The Mighty Meredith Project also sponsors at least one or two families who have fallen on hard times due to the need to provide medical care to a child in need. These gifts are donated just prior to the holidays and are anonymous so they can have a special holiday without the fear of how to pay for it. Lastly, we work with the clinics at both hospitals where she continues to receive care to provide items they may need throughout the year to service their patients.

Last year, the Mighty Meredith Project donated approximately **\$15,000** worth of toys, electronics, and gift cards spread across three donation days as a result of this event through the generosity of many and this year we are hoping to grow our program by at least 25%. More information can be found at <https://www.mightymeredith.com/fillthebox> which also includes a link to an Amazon Wish List for those who prefer to shop online.

The Mighty Meredith Project is a 501(c)(3) charitable organization under IRS code. Donation receipts can be found at <https://www.mightymeredith.com/donate>. Thank you for considering us in your Holiday shopping experience.

Happy Holidays,

Meredith Casey and the Entire Team at the Mighty Meredith Project
